

RED LINE IS THE CUT LINE

The diagram shows a rectangular page layout with a light blue background. A vertical red line runs down the center, representing the cut line. A horizontal blue line runs across the page, representing the safety line. Two vertical green lines are positioned on either side of the red line, representing fold lines. Arrows point from the text labels to their respective lines. At the top, two arrows point from the red line to the left and right edges of the page. A long horizontal arrow points from the blue line to the left and right edges. A horizontal arrow points from the green lines to the left edge.
