

The diagram shows a rectangular label with rounded corners. It features two concentric borders: an outer red line and an inner blue line. The space between the red and blue lines is the area to be cut out. Two arrows point from the text 'RED LINE IS THE CUT LINE' to the red border. A long double-headed arrow points from the text 'BLUE LINE IS THE SAFETY LINE' to the blue border. Below the diagram, the finished size and bleed dimensions are listed.
